Everyone stopped what they were doing and looked at Kaylee.

Kaylee was unsure of how to be more friendly and less shy.

I want to go home!

Despite following her mom's advice, Kaylee sat alone during "community garden time."

Mommy said to be friendly. I'm not sure if I can do it.

These tomatoes are going to be yummy!

Kaylee thought the girls were whispering about her.

Great! Now it's really too late to introduce myself.

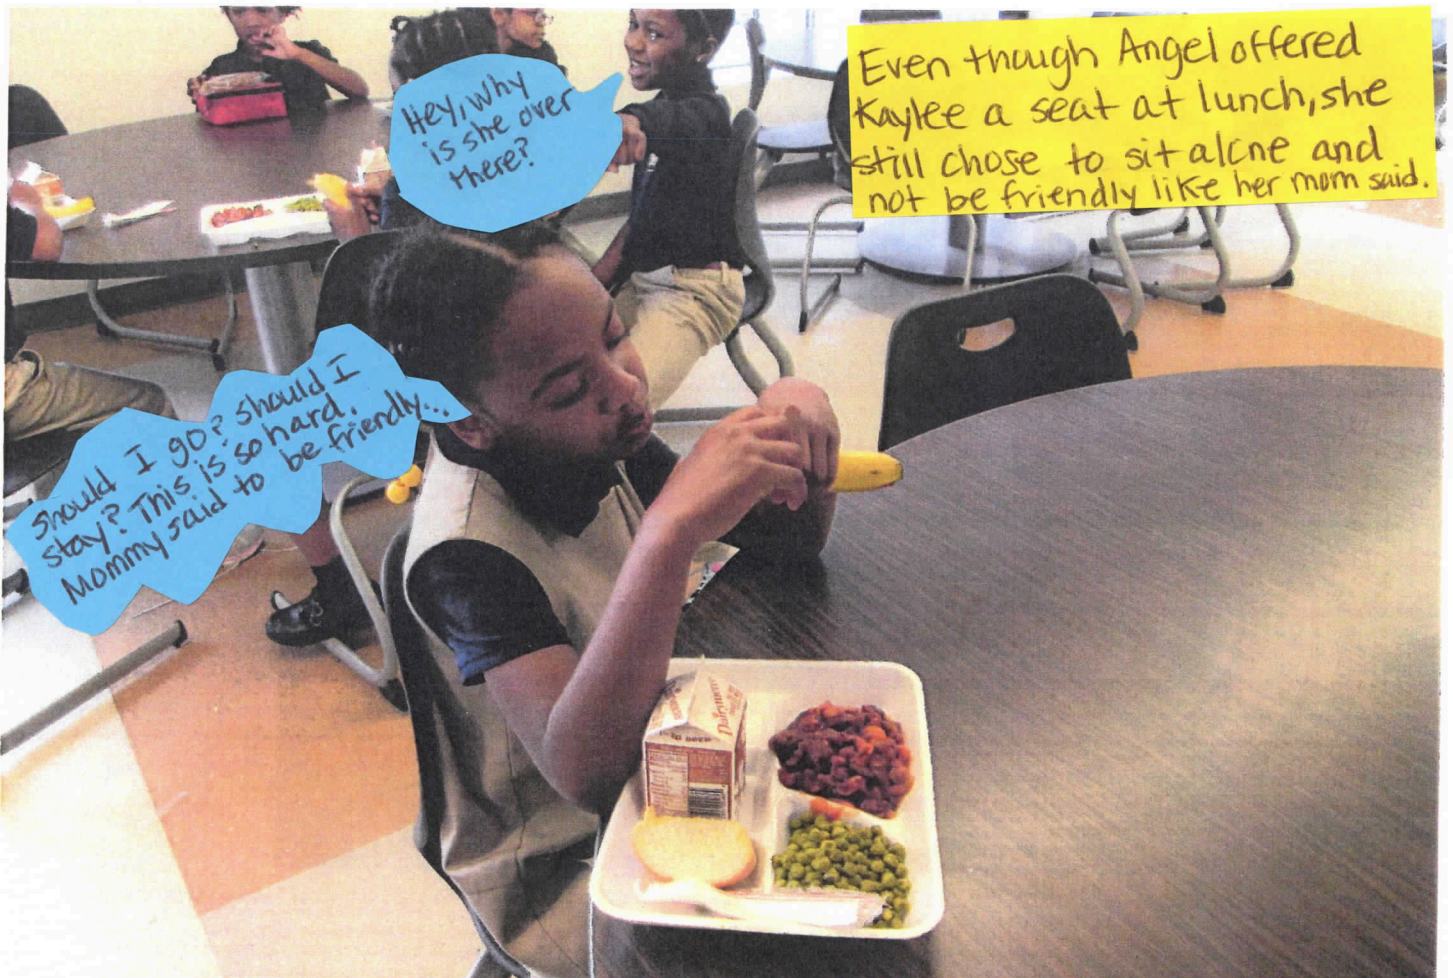

she looks so sad. I'm going to say hi to her.

Hi, my name is Kaylee.

Hi, my name is Angel. You can sit with me at lunch.

Hey, why is she over there?

Should I go? Should I stay? This is so hard. Mommy said to be friendly...

Even though Angel offered Kaylee a seat at lunch, she still chose to sit alone and not be friendly like her mom said.

Kaylee was nervous to meet the girls, but Angel made her feel welcomed!

Everyone meet my new buddy! Her name is Kaylee!

The girls had a lot in common. Kaylee was enjoying her new school!

Mommys going to be so proud of me!
